

Walk With Me

Using love, losing love, using love, losing love
Using love, losing love, using love, losing love

The girl is right when the time is right
And you take complete control of me
For the love is right when a girl is right
And they do it all, all so naturally
A love is very serious, a love is cool, a love is true
When you're next to me

Walk with me babe
Walk, walk, walk with me on every, every day

You make me crazy
When you're next to me
Crazy, crazy
So cool and free

Walk, walk, walk with me babe
Walk, walk, walk with me on every, every day

A love is serious, its more than just a ball, ball
Much more than a game, beyond the mating call, call
Serious girl, girl, serious girl
Walk, walk, walk with me, my girl, girl
Serious girl, girl
Walk, walk, walk with me, my girl, girl
Its serious, its more than just a ball
Much more than a game, beyond the mating call
Na, na, na, na, na, na, na, na, na na na na na na na

Na, na, na, na, na, na, na, na, na na na na na na na
Well love is what you make if we live it all the way

Using love, losing love, using love
Using love, losing love, using love
Its serious
Using love, losing love, using love
Its more than just a ball
Using love, losing love, using love

Walk with me, babe
Walk, walk, walk with me, babe
Every day
