

Gotta Keep Movin'

Move it, move it, move it, move it
Move it, move it, move it, move it
Movin' on, movin' on, movin' on, movin' on

You gotta keep movin', movin' on
You gotta keep movin'
In spite of the love that you hold for the people gone
You gotta keep goin' on, yea, keep movin' on
You gotta keep goin'
It's time to let go of the memories, they are gone
So keep a movin' on
That's the last thing my grandma said to me
Go, make it on your own
Well don't you ever stop movin on
Gotta keep a movin' along
Well you gotta pick it up and go
Like a rollin' stone
Don't you ever stop movin' on
After your grandma is gone
She's gone
You're gone, gone, gone, gone
Gone, gone, gone, gone
Gone, gone, gone, gone
Gone, gone, gone, gone
Gone, gone, gone, gone

Move it, move it
Movin' on, movin' on, movin' on
You gotta keep movin' on and on
Movin' on, movin' on
You gotta keep movin'

Movin' on, movin' on, movin' on
You gotta keep movin'
Movin' on, movin' on, movin'
You gotta keep movin' on

Now the time is near and there isn't anything that I can do
Well I can still remember all the love in the family
I can still remember all the time we were together having fun
So I will sing a song written for you
Oh mama, the memories will make me strong

You gotta keep movin', movin' on
That's what grandma was sayin' to me
She was sayin' to me
Go, go . . .
You keepa' movin' on
Don't ever stop
Well that's the last thing she said to me
Alike a rollin' stone
So keepa movin'
Gotta keepa' movin on
When mama and papa are . . . gone
Gone, gone, gone, gone
Gone, gone, gone, gone
Gone, gone, gone, gone

You keepa' movin' on
When all the love has gone
Rollin', rollin', rollin', yea
You're like a rollin' stone
You gotta' keep movin' along
When grandma and mama and papa are gone
When they are gone

So keepa' movin' on
You're like a rollin' stone
When all the ones you love have perished
Well that's the last thing she said to me
She said move it
