

With You

I'm falling
Well every time I look at you I'm falling in love
It's only you girl
Everybody knows it's only you I think of
I just wanna be with you little girl
I wanna have fun with you

I just gotta go with you little girl
I'm falling in love with you

I'm falling
Well every time I look at you I'm falling in love
It's only you girl
Well everybody knows it's only
Everybody knows it's only you I think of
I, I'm fall, fall, fall, falling
Well every time I look at you I'm falling
I'm falling in love with you

I just gotta go with you little girl
I'm falling in love with you

I'm dream, dreaming
Every night when I'm asleep I'm dreaming your there
Somehow you know, know girl
Well every minute of the day you know that I care (**acapella**)

You know I'm dream, dream, dream, dreaming
Every night when I'm asleep I'm dreaming your there
Somehow you know girl
Well every minute of the day

Well every minute of the day you know that I care
Somehow you know, know, know girl
Every night when I'm asleep I'm falling
I'm falling in love with you

I just gotta go with you little girl
I'm falling in love with you

I just wanna be with you little girl
I wanna have fun with you
I just wanna be with you little girl
I'm falling in love with you
I just wanna be with you little girl
I wanna have fun with you

With you
I just wanna be with you little girl
I wanna have fun with you
With you
I just wanna do it with you little girl
I wanna make love with love
With you
I just gotta go with you little girl
I'm falling in love with you
With you
I just wanna be with you little girl
With you

You know I'm fall, fall, fall, falling
Well every time I look at you I'm falling in love
It's only you girl
Well everybody knows it's only
Everybody knows it's only you I think of

I'm fall, fall, fall, falling
Well every minute of the day you know that I care
Somehow you know, know, know girl
Well every time I look at you I'm falling
I falling in love with you
I just wanna do it with you little girl
I wanna make love with you

I just wanna be with you little girl
I falling in love with you
With you
